

CURRICULUM VITAE

WILLIAM W. STORMS, M.D.

PROFESSIONAL INFORMATION

Office: Storms Bowdish Allergy Clinic
1625 Medical Center Point, Suite 190
Colorado Springs, CO 80907
P: 719-955-6000
F: 719-955-9595

E-Mail Address: sneezedoc@stormsallergy.com

PRESENT ACADEMIC RANK & OTHER POSITIONS

Clinical Professor of Medicine, University of Colorado Health Sciences Center,
Denver, Colorado
Practicing Allergist, Colorado Springs, CO, 1975 to present
Principal Investigator, Storms Clinical Research Institute, Colorado Springs, CO, 2005 to present
Member of Sports Medicine Committee of the U.S. Olympic Committee 1997 to present
National Asthma Education and Prevention Program Coordinating Committee, (NHLBI
Asthma Guidelines) 1998 to present

EDUCATION

University: Northwestern University, Evanston, Illinois, B.A. Degree, 1964
Medical School: University of Wisconsin Medical School, Madison, Wisconsin,
M.D. Degree, 1968
Internship: San Francisco General Hospital, San Francisco, California,
1968-69
Residency: Internal Medicine Residency; University of Wisconsin Hospital,
Madison, Wisconsin, 1969-70, 1972-73
Fellowship: Allergy and Immunology; University of Wisconsin Hospital, Madison,
Wisconsin, 1973-75

BOARD CERTIFICATION

American Board of Internal Medicine, 1974
American Board of Allergy and Immunology, 1975
Recertification: American Board of Allergy and Immunology, 1987

MEDICAL LICENSURE Available upon request

SOCIETY MEMBERSHIPS

Fellow, American College of Physicians
Fellow, American Academy of Allergy, Asthma and Immunology
Fellow, American College of Allergy, Asthma and Immunology
Fellow, American College of Chest Physicians
Western Society of Allergy and Immunology
American Thoracic Society
Colorado Allergy Society
European Respiratory Society
Colorado Medical Society
European Academy of Allergology and Clinical Immunology
Golf Course Superintendents Association, Rocky Mountain Division

MEMBERSHIP ON COMMITTEES; OFFICES HELD

Board of Regents Member, American College of Allergy and Immunology, 1990 to 1993
President, Colorado Allergy Society, 1990-92
President, Western Society of Allergy and Immunology, 1987-88
Chairman, Public Relations Committee, American College of Allergy and Immunology, 1988
Chairman, Bylaws Committee, Penrose Hospital, Colorado Springs, 1985 to 1988
Chairman, American Academy of Allergy and Immunology Sports Medicine Committee, 1994-97
Steering Committee, American College of Chest Physicians Section on Allergy and
Clinical Immunology, 1997 to 2003
El Paso County Medical Society Delegate to the Colorado Medical Society, 1989 to 1996
Advisory Board Member of Strategic Institute, a CME provider, Vienna, Virginia, 1996 to
2003
Member of the Steering Committee of the Aspen Allergy Conference 1997 to 2006

MEDICAL JOURNAL EDITORIAL BOARDS

Associate Editor for Medicine and Science in Sports and Exercise, 2004 to 2013
Associate Editor for Journal of Asthma, 1992 to 2009
Annals of Allergy, Asthma and Immunology, Editorial Board 1993 to 1998
Pediatric Rounds Newsletter, Editorial Board 1996 to 2000
American Journal of Medicine and Sports, Editorial Board 2001 to 2008
Reviewer for ADIS International Medical Journals
Reviewer for Journal of Allergy and Clinical Immunology
Reviewer for Annals of Allergy, Asthma and Immunology
Member of Editorial Board for Annals of Allergy, Asthma and Immunology, 1993 to 1998
Reviewer for Journal of Allergy and Clinical Immunology, New England Journal of Medicine,
Chest

CONSULTANT

Strategic Pharmaceutical Advisors, TEVA, AstraZeneca, Meda, Genentech, Novartis, and Mylan.

OTHER ACTIVITIES, ORGANIZATIONS, & AWARDS

Distinguished Fellow of the American College of Allergy, Asthma & Immunology. Presented at the awards convocation November 6, 1998 in Philadelphia, PA.
Bela Schick invited Lectureship, American College of Allergy, Asthma, & Immunology, Annual Meeting, San Francisco, November 1994
President, Cheyenne Mountain Zoological Park, 1991-92
Board of Trustees Member, 1987 to 1995
Vestry member, Chapel of Our Saviour Episcopal Church, Colorado Springs, 1978-81
Listed in "The Best Doctors in America" 1996 to present
Who's Who in Health and Medicine, 1989 to present
Student Volunteer, Project Hope, Colombia, South America, Summer 1967
Vice President, Broadmoor Ski Racing Academy, Inc., 1979-82
Volunteer Physician, Colorado Champ Camp (for children with asthma), 1985-95
Player of the Year, Broadmoor Golf Club, 2006
Career Achievement Award, University of Colorado School of Medicine, 2004
Cheyenne Mountain Country Club, Colorado Springs, Colorado, President and/or Board Member, 1982-94, 2002-10
Telly Award, 1994, For "Essence of Life"
Listed as One of USA Today's Most Influential Physicians in the Country, 2009

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS

1. "Late Adverse Reactions to Alternaria." Presented at the American Academy of Allergy Meeting, February, 1974
2. "Sch 1000 - An Anticholinergic Bronchodilator." Presented at the American College of Chest Physicians Meeting, November, 1974
3. "Procatamol Metered-Dose Inhaler in the Treatment of Asthma." Presented at the 41st Annual Congress of the American College of Allergists, February, 1985
4. "Albuterol Inhalant Solution for Asthma." Presented at the 41st Annual Congress of the American College of Allergists, February, 1985
5. "Ipratropium in the Treatment of Bronchial Asthma." Presented at the 41st Annual Congress of the American College of Allergists, Poster Session, February, 1985
6. "Azelastine in the Treatment of Asthma." Presented at the Academy of Allergy and Immunology, Poster Session, March, 1985
7. "Albuterol Inhalant Solution." Presented at the American College of Allergists meeting at the Schering symposium on New Horizons in Allergy, January 16, 1986
8. "Safety and Efficacy of Azelastine in Perennial Allergic Rhinitis." Presented at the American College of Allergists meeting, February, 1987

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS (cont.)

9. "Long-term Treatment of Asthma with Procatamol Metered-Dose Inhaler: A Two and One-Half Year Open-Label Study." Presented at the American College of Chest Physicians 53rd Annual Scientific Assembly, Poster Session, October 29, 1987
10. "Variability of Tree Pollination over 5 Years." Presented at the American College of Allergy and Immunology, November 15, 1987
11. "SCH 434 (loratadine 5 mg plus pseudoephedrine 120 mg) Versus Components in the Treatment of Seasonal Allergic Rhinitis." Presented at the Forty-fourth Annual Meeting of the American Academy of Allergy and Immunology, March, 1988
12. "Once-A-Day Triamcinolone Acetonide (TA) Nasal Aerosol is Effective for Perennial Allergic Rhinitis." Presented at the Forty Fifth Annual Convention of the American College of Allergy and Immunology, November, 1988
13. "Ipratropium Bromide (Atrovent); Clinical Usage in Asthma." Presented at a symposium at the 46th Annual Meeting of the American College of Allergy and Immunology, November, 1989
14. "Update on New Advances in the Therapy of Allergic Rhinitis." Presented at a symposium at the American College of Allergy and Immunology Meeting, November, 1990
15. "Allergic Rhinitis" Washington University Symposium on Allergic Disease, St. Louis, November 1990
16. "A Once-A-Day Nasal Steroid (Nasacort - triamcinolone acetonide) is Effective Therapy for Perennial Allergic Rhinitis." Presented at the Ninth Annual Aspen Allergy Conference, July 23-27, 1991, Aspen, Colorado
17. "New Therapeutic Approaches to Allergic Rhinitis," American Academy of Allergy and Immunology, March 1992; Orlando, Florida
18. "Lipoxygenase and Leukotriene Inhibitors." Presented at the 1992 American College of Allergy and Immunology Symposium entitled "A New Age in the Therapy of Allergic Diseases," November 18, 1992.
19. "Sch 1000 - An Anticholinergic Bronchodilator." Presented at the Symposium on the Parasympathetic Pathway in Obstructive Lung Disease, Killarney, Ireland, 1974
20. "Azelastrine in Bronchial Asthma." Presented at the Azelastrine Symposium at the International College of Allergy and Clinical Immunology, Washington, D.C., October 1985
21. "Ipratropium in the Treatment of Asthma." Presented at the Symposium on Cholinergic Pathways in Lung Disease, Toronto, July 1986

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS (cont.)

22. "Bronchodilator Properties of Azelastine." Azelastine Workshop - American Lung Association Meeting, New Orleans, May 1987
23. "Azelastine: U.S. Experience in Seasonal and Perennial Rhinitis." Presented at the XIVth Congress of the European Academy of Allergology and Clinical Immunology, Berlin (West), September 1989
24. "Effect of Repeat Action Albuterol Sulfate (Proventil® Repetabs®) in Nocturnal Asthma," presented at the XIV International Congress of Allergology and Clinical Immunology, Kyoto, Japan, October 1991
25. "The Effect of Repeat Action Albuterol Sulfate Tablets (Proventil® Repetabs®) in the Treatment of Nocturnal Asthma," presented at the Fifth International Conference on Chronobiology, Amelia Island, Florida, July 16, 1992
26. "Rationale for the Use of Antihistamines in Allergic Rhinitis," International Symposium of Infection and Allergy of the Nose, Seoul, Korea, October 8-11, 1993
27. "Fluticasone Nasal Spray: Comparator Studies in Allergic Rhinitis," European Academy of Allergy and Immunology, Stockholm, Sweden, June 1994
28. Moderator and Discussant, Interesting Case Symposium, American College of Allergy, Asthma & Immunology, Annual Meeting, San Francisco, CA, November 1994
29. Co-Chairman of the Olympic Exercise Asthma Symposium, Colorado Springs, CO, December 2-4, 1994
30. "Diagnosis and Treatment of Asthma." Lecture at the American Academy of Family Physicians. Annual Meeting, Orlando, FL, September 1995
31. "Exercise Asthma in Athletes." Presented at the Eastern Allergy Conference, April 18, 1995
32. "Long-term budesonide therapy in severe asthma: A 2½ year open label study." Poster presentation, Aspen Allergy Conference, July 1995
33. "Asthma Quality of Life Surveys in an Office Setting," ACAAI Managed Care Conference, Washington DC, April 12, 1996
34. Chairman, United States Olympic Committee Conference on Asthma for Physicians, Coaches and Athletic Trainers, November 1996, U.S. Olympic Training Center, Colorado Springs, CO
35. Moderator and speaker, ACAAI Annual Meeting Saturday Morning Conference, San Diego, CA

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS (cont.)

36. Speaker, AAAAI Sunday Evening Symposium on the Treatment of Asthma, March 1998, Washington DC
37. Luncheon moderator “Treatment of Rhinitis and Its Effects on the Lower Airway”, Sunday symposium at the AAAAI meeting, Washington DC, March 1998
38. Speaker on Exercise-Induced Asthma at the 1st Sports Medicine Conference of the Arab World, Kuwait University, Kuwait City, Kuwait, March 1998
39. Speaker at the International Congress of Pediatric Allergy & Immunology, Cordoba, Argentina, May 24-27, 1998 (“Safety and efficacy of montelukast in children: a review of clinical data”; “Improving control of asthma in the moderately severe asthmatic”)
40. “The Profile of the Ideal Nasal Steroid” at the European Academy of Allergy and Clinical Immunology Meeting, Brussels, Belgium, July 1999
41. “Exercise Induced Asthma”, presented at Cornell Medical College Allergy Teaching Day, New York, NY, October 1999
42. “Asthma and Rhinitis”, presented at the American Academy of Allergy, Asthma and Immunology Annual Meeting, Chicago, IL, November 1999
43. “Exercise-Induced Asthma”, presented at the American Academy of Allergy, Asthma and Immunology Meeting, San Diego, CA, March 2000
44. “Treatment of Vasomotor Rhinitis: Summary of Physicians Survey and Double-Blind Study of Azelastine in Vasomotor Rhinitis”, presented at the European Academy of Allergy and Clinical Immunology, Lisbon, Portugal, July 2000
45. “Treatment of Allergic Rhinitis in Children”, presented at the Weekend of the Nose Meeting, Prague, January 2001
46. Invited Lecturer, “Treatment of Exercise Asthma”, National Association of Athletic Trainers Annual Meeting, July 2001
47. “Therapeutic Options for Non-allergic Rhinitis”, European Academy of Allergy and Clinical Immunology, Berlin, Germany, May 2001
48. “What are the New Third Generation Antihistamines and What Do They Do”, presented at Nose 2000, International Congress of Rhinology, Washington DC, September 2000
49. “Criteria for the Ideal Nasal Steroid”, presented at the American Academy of Allergy, Asthma and Immunology Meeting, Seattle, WA, November 2000

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS (cont.)

50. “Relationship Between Allergic Rhinitis and Asthma”, American Academy of Allergy, Asthma and Immunology Symposium, March 18, 2001
51. “The Relationship of Allergic and Non-allergic Rhinitis”, Allergic Rhinitis Symposium at the European Academy of Allergy and Clinical Immunology, May 11, 2001
52. “Methods of Controlling Rhinitis”, Allergic Rhinitis Symposium; American Academy of Allergy, Asthma and Immunology meeting, November 19, 2001
53. “Treatment of Allergic Rhinitis and Comorbid Conditions”, Lecture at the Primed South Meeting, Florida, February 21, 2002
54. “Economic and Clinical Impact of Allergic Rhinitis”, AAAAI Meeting, Allergic Rhinitis Symposium, March 3, 2002
55. “Diagnosis and Treatment of Exercise-induced Asthma”, AAAAI Meeting, March 4, 2002
56. “The Link Between Allergic Rhinitis and Asthma”, Primed West Meeting, Long Beach, California, April 5, 2002
57. “Treatment of Allergic Rhinitis with Specific Reference to Non-Sedating Antihistamines”, Lectures in Taiwan, April 19 - 21, 2002
58. “The Role of Leukotriene Antagonists in the Treatment of Asthma”, Tokyo, Japan, August 31, 2002
59. “The Allergic March: The Progression of Allergy From Infancy to Adulthood”, American College of Allergy and Immunology Meeting, San Antonio, TX, November 14, 2002
60. “The Use of Intranasal Steroids in the Treatment of Allergic Rhinitis”, Rhinitis Symposium, ACAAI Meeting, San Antonio, TX, November 17, 2002
61. “Clinical Trials: Are These Our Patients?”, American Academy of Allergy, Asthma and Immunology, Annual Meeting, Denver, CO, March 2003
62. “Allergies and Asthma in Athletes”, US Olympic Committee Conference on the Athens Olympic Games 2004; Effects of Heat and Humidity, Colorado Springs, CO, September 2003
63. “Exercise-Induced Asthma in Athletes”, USA Cycling Coaches Conference, Colorado Springs, CO, January 29, 2004
64. “Epidemiology and Natural History of Allergic Rhinoconjunctivitis”, American Academy of Allergy, Asthma & Immunology meeting, San Francisco, CA, March 2004

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS (cont.)

65. “Pharmacologic Approaches to Addressing Daytime and Nighttime Symptoms of Allergic Rhinitis”, American Academy of Allergy, Asthma and Immunology meeting, San Francisco, CA, March 2004
66. “Practical Considerations in formulating Upper Airway Topical Medications”, American College of Asthma, Allergy & Immunology meeting, Boston, MA, November 2004
67. “What Constitutes a Successful Outcome in Mild Asthma”, American Academy of Allergy, Asthma and Immunology meeting, Boston, MA, November 2004
68. “Recent Research on Antihistamines in the Upper and Lower Airways”, American Academy of Allergy, Asthma and Immunology meeting, Miami, FL, March 3, 2006
69. “Allergic Rhinitis: The Burden of Disease”, presented at the American Academy of Allergy, Asthma and Immunology meeting, San Diego, CA, February 2007
70. “Exercise-Induced Bronchospasm in Athletes: Are They Being Over-Treated”, presented at the American Academy of Allergy, Asthma and Immunology meeting, San Diego, CA, February 2007
71. “A Real World Open-Label Multi-Center Single Group Study to Evaluate Patients’ Reactions to Mucinex”, poster session, American Academy of Allergy, Asthma and Immunology meeting, San Diego, CA, February 2007
72. “An Evaluation of Olopatadine 0.2% in the Treatment of Ocular Allergies Resulting from Outdoor and Indoor Allergens: A Pooled Analysis”, American Academy of Allergy, Asthma and Immunology meeting, Dallas, TX, November 2007
73. “An open label multi-center single group study to evaluate patients’ reactions to single entity long-acting guaifenesin”, poster presentation at the Western Society of Allergy, Asthma, and Immunology Meeting, January 2008, W. Storms, M.A. Kaliner, M. Javidi, C. Efessiou, J. Farrar
74. “Advances in the diagnosis and treatment of exercise-induced asthma”, lecture at the American Academy of Allergy, Asthma, and Immunology, March 2008, Philadelphia, PA, W. Storms
75. “Four years experience with Omalizumab (Xolair), the anti-IgE therapy for severe asthma”, lecture at the European Academy of Allergy and Clinical Immunology in Barcelona, June 2008, W. Storms
76. “Why and How does Exercise Cause Asthma Symptoms: Lessons Learned from the 2008 Olympics”, presented at American Academy of Allergy, Asthma and Immunology meeting, March 2009

PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS (cont.)

77. “Managing EIB in Athletes: Lessons from the International Olympic Committee Consensus Statement on Asthma in Elite Athletes”, presented at the American Academy of Allergy, Asthma, and Immunology, 2009
78. “Exercise-Induced Bronchoconstriction”, presented at the American College of Allergy, Asthma and Immunology, 2010
79. “Nasal Allergy Survey Assessing Limitations 2010: Affects of Allergic Rhinitis on Sleep and Quality of Life”, oral abstract presented at the American Academy of Allergy, Asthma, and Immunology, March 21, 2011
80. “Nasal Allergy Survey Assessing Limitation”, Symposium presentation at American Academy of Allergy, Asthma, and Immunology, March 20, 2011
81. “Nasal Symptom Improvement Following Once-Daily Treatment With Beclomethasone Dipropionate Nasal Aerosol (80 µg or 160 µg) in Children With Seasonal Allergic Rhinitis”, poster presented at the American College of Allergy, Asthma and Immunology, 2012
82. “Innovations in the Treatment of Allergic Rhinitis”, presented at the American Academy of Allergy, Asthma and Immunology, San Diego, 2013
83. “Update on Exercise-Induced Bronchoconstriction,” seminar presented at American College of Allergy, Asthma, and Immunology, Baltimore, 2013
84. “Allergy and Asthma Foundation of America’s Asthma Inhaler Design (ID)TM Survey: Use of Outdated and Empty Quick-Relief Inhalers Remains a Problem”, presented at ACAAI annual meeting MD, Poster session, Baltimore, 2013
85. “Treating the Patient with Difficult Exercise-Induced Asthma”; seminar presented at AAAAI meeting, San Diego, February 2014
86. “Latest Information in Therapy for Asthma, COPD, and Exercise-Induced Bronchospasm,” seminar presented at AAAAI meeting, San Diego, February 2014
87. “Mechanisms of Exercise Induced Bronchoconstriction,” presented at the World Allergy Organization, Rio de Janeiro, December 2014
88. American Academy of Allergy Asthma and Immunology, February 2015 Lecture: “Diagnosis of Exercise-Induced Bronchoconstriction”; Leader of seminar on exercise-induced bronchoconstriction and chronic cough.

CLINICAL TRIALS PERFORMED AT THE RESEARCH CENTER

1975 to 2010; during this time over 100 studies on asthma, allergic rhinitis, hypertension, osteoarthritis, diabetes, sinus disease, and multiple growth studies for inhaled steroids and nasal steroids, were performed. Participation includes the following protocols and medications:

AA2414	HMR3647A	MK75 capsules	PDA641	SCH37370
AMG317	HOE140	MK0591	PLT3514	SCH697243
AMG853	IN537217	MK0663	RG50294	Sepracor 060-635
BAY19-8004	JNJ-26113100	MK0966	RHU-IL-IR	SR27417A
BAYX7195	L454560	MP03-33	RP73401	SKY006
C68397AA	M94-216	MP29-02	RPR106541P	TAK-491
CP80633	Merck L-808065	MPO-36	SB205312	TEVA BDPAR-303
D7193	Merck L-753099	Novartis CQAB149B2351	SB207499	

Accolate	Ebastine	Mometasone	Proventil Repetabs	Uniphyl
Advair	Enprofylline	Montelukast	Pulmicort	Vancenase-AQ
Alupent	Flunisolide	NasalCrom	QVAR	Vanceril-DS
Azelastine	Fluticasone	Nedocromil	Raxar	Xolair
Beclovent	Intal	Norastemizole	Roflumilast	Zileuton
Ceftibuten	Ipratropium	Olopatadine Nasal	Salmeterol	Zomig
Ciclesonide	Ketotifen	Patanase	Seratrodast	
Civamide Cream	Loteprednol	Patanol	Tecastemizole	
Dapagliflozin	MaxAir	Procaterol	Tiotropium	

2011-Present

TEVA –A seasonal allergic rhinitis study to assess the efficacy and safety of BDP HFA nasal aerosol– 2011

Cephalon –An eosinophilic asthma study to evaluate the efficacy and safety of reslizumab– 2011-2012

GSK –A COPD study to evaluate the effect of fluticasone furoate/vilanterol inhalation powder– 2011-present

TEVA Flute –A persistent asthma study to evaluate the efficacy and safety of Fp Spiromax®– 2012-2013

TEVA Trumpet –A persistent asthma study to evaluate the efficacy and safety of Fp Spiromax®– 2012

GSK Vestri –A persistent asthma study of inhaled fluticasone propionate/salmeterol combination versus inhaled fluticasone propionate– 2012-present

CLINICAL TRIALS PERFORMED AT THE RESEARCH CENTER (cont.)

Genentech Lute –An asthma study to assess the efficacy and safety of lebrikizumab– 2012-2013

GSK Austri –An asthma study to assess the safety and efficacy of inhaled fluticasone propionate/salmeterol combination versus inhaled fluticasone propionate– 2012

Sunovion –A perennial allergic rhinitis study of ciclesonide nasal aerosol and spray– 2012-2013

TEVA –A perennial allergic rhinitis study to assess the efficacy and safety of BDP nasal aerosol– 2013

Pulmagen –An asthma study to evaluate the efficacy and safety of ADC3680 administered as an add-on therapy to inhaled corticosteroids and when co-administered with montelukast– 2013-present

MEDA-Novella –An allergic rhinitis trial of the safety of Dymista nasal spray and fluticasone propionate nasal spray– 2013-present

Mylan-Theorem –A seasonal allergic rhinitis trial of mometasone nasal spray, Nasonex® nasal spray, Nasonex® nasal spray suspension, and placebo– 2013-present

Amgen –An asthma study to evaluate the safety and efficacy of brodalumab– 2013-present

Meda-Novella –An allergic rhinitis trial of the safety of astepro 0.15% nasal spray and astepro 0.1% Nasal Spray– 2013-present

Sanofi –An asthma study to evaluate efficacy and safety of dupilumab– 2013-present

Genentech Lavolta –An asthma study to assess the efficacy and safety of lebrikizumab– 2013-present

Circassia –A perennial allergic rhinitis study to assess the efficacy and safety of Cat-PAD Peptide immunotherapy– 2013-present

2. Use of flow volume curves with air and helium-oxygen to evaluate pulmonary function in asthma, Storms WW, Bush R, and Reed CE, *J Allergy Clin Immunol* 57:252, 1976 (abstr.)
3. Intranasal immunization with attenuated live influenza vaccine in asthma, Storms WW, Dick EC, and Busse WW, *J Allergy Clin Immunol*, 58:284, 1976 (abstr.)
4. Allergenicity of the cotton of the cottonwood tree, Storms WW, *New Eng Allergy Proceedings*, Vol. 5:151, Spring 1984 (abstr.)
5. Azelastine (AZEL) in the treatment of asthma, Storms W, Middleton E, Dvorin D, Kemp J, Spector S, Newton J, and Perhach J, *J Allergy Clin Immunol*, 75:167, January 1985 (abstr.)
6. Multicenter trial of procaterol aerosol metered-dose inhaler vs. placebo in patients with asthma, Storms W, Chervinsky P, Bell T, Brandon M, Reed CE, Repsher L, Siegel S, and Kemp J, *J Allergy and Clin Immunol*, 75:161, January 1985 (abstr.)
7. Procaterol metered-dose inhaler in the treatment of asthma, Storms W, Bodman S, Nathan R, Wilson JM, *Ann Allergy*, 54:338, April 1985 (abstr.)
8. Albuterol inhalant solution for asthma, Storms W, Bodman S, Nathan R, Greenstein S, *Ann Allergy*, 54:367, April 1985 (abstr.)
9. A group comparative study of the safety and efficacy of nedocromil sodium (Tilade) in reversible airways disease: A preliminary report, VanAS A, Chick TW, Bodman SF, Storms WW, Nathan RA, Selner JC, Koepke JW, Townley RG, Bewtra AK, Nair N, Kemp JP, Meltzer EO, Welch MJ, and Prenner BM, *Eur J Respir Dis*, 69 (suppl 147): 143-148
10. Comparison of procaterol and albuterol aerosols in patients with reversible obstructive airways disease, Chervinsky P, Beaupre A, Bell T, Bronsky E, Busse W, Campbell S, Falliers C, Mazza J, Pinnas J, Reed C, Repsher L, Stalein J, Schoenwetter W, Stevens P, Storms W, and Tashkin D, *J Allergy and Clin Immunol*, 79:201, January 1987 (abstr.)
11. Efficacy of azelastine in perennial allergic rhinitis, Meltzer E, Storms W, Pierson W, Cummins L, Perhach J, and Hemsworth G, *J Allergy Clin Immunol*, 79:205, January 1987 (abstr.)
12. Efficacy of azelastine (AZ) in perennial allergic rhinitis, Storms WW, Bodman SF, Nathan RA, Perhach JL, and Hemsworth GR, *Ann Allergy*, 58:281, April 1987 (abstr.)

PUBLISHED ABSTRACTS (cont.)

13. Long-term treatment of asthma with procaterol metered-dose inhaler: a two and one-half year open label study, Storms WW, Bodman SF, and Nathan RA, *Chest*, 92:124S, August 1987 (abstr.)
14. WHR-5029 (triamcinolone acetonide nasal aerosol) in the treatment of seasonal ragweed allergic rhinitis (SRAR), Storms WW, Bodman SF, Nathan RA, Gawchick SM, Rooklin AR, Gorder JW, and Huber FJ, *Ann Allergy*, 60:166, February 1988 (abstr.)
15. Variability of tree pollination over 5 years, Storms WW, Nathan RA, Burdekin EA, *Ann Allergy*, 60:158, February 1988 (abstr.)
16. SCH: 434 (loratadine 5 mg plus pseudoephedrine 120 mg) versus components in the treatment of seasonal allergic rhinitis, Storms WW, Bodman SF, Nathan RA, Trochelman L, Greenstein S, *J Allergy Clin Immunol*, 18:173, January 1988 (abstr.)
17. Evaluation of the safety and efficacy of long term use of multiple doses of Azelastine (AZ) in asthmatics, Tinkelman D, Bucholtz G, Kemp J, Repsher L, Spector S, Storms W, VanAs A, Koepke J, *J Allergy Clin Immunol*, January 1988 (abstr.)
18. Once-a-day Triamcinolone Acetonide (TA) nasal aerosol is effective for perennial allergic rhinitis (PAR), Storms W, Bronsky E, Findlay S, Pearlman D, Rosenbert S, Shapiro G, Southern L, Tinkelman D, Weakley S, Welch M, Zeitz H, Garcia J, Wilkinson D, *Ann Allergy*, 1:239, March 1989 (abstr.)
19. Azelastine: U.S. experience in seasonal and perennial rhinitis, Storms W, Hemsworth G, Freitag J, as published in *Allergologie*, September 1989 (abstr.)
20. Procaterol: Longer duration of action than albuterol (salbutamol) in a three month study, Beaupre A, Bell T, Boulet LP, Bronsky E, Busse W, Campbell SC, Chervinsky P, Falliers CJ, Mazza J, Pinnas JL, Tashkin DP, Reed CE, Repsher L, Schoenwetter W, Stablein J, Stevens P, Storms WW, *Chest*, 98:111S, August 1990
21. A comparison of the efficacy and safety of procaterol and albuterol in reversible obstructive airways disease, Mazza J, Beaupre A, Bell T, Boulet LP, Bronsky E, Busse W, Campbell SC, Chervinsky P, Falliers CJ, Pinnas JL, Tashkin DP, Reed CE, Repsher L, Schoenwetter W, Stablein J, Stevens P, Storms WW, *Chest*, 98:111S, August 1990
22. Inhibition by Aerolized ICI 204,219. LTD receptor agonist, of allergen-induced bronchoconstriction, Nathan RA, Storms WW, Bodman SF, Minkwitz MC, Glass M, *J Allergy Clin Immunol*, January 1991 (abstr.)

PUBLISHED ABSTRACTS (cont.)

23. Once daily triamcinolone acetonide nasal spray is effective for the treatment of perennial allergic rhinitis, Storms W, Bronsky E, Findlay S, Pearlman D, Rosenberg S, Shapiro G, Southern L, Tinkelman D, Weakley S, Welch M, Zeitz H, Wilkinson D, McMahon S, Garcia J, *Ann Allergy* 66:329, April 1991
24. Effect of repeat action albuterol sulfate (Proventil^R Repetabs^R) in nocturnal asthma, Storms W, Morris R, Selner J, Zwillich C, Greenstein S, Colorado Springs, CO, Minneapolis, MN, Denver, CO, Hershey, PA, Kenilworth, NJ, *Allergy Immunol News*, Supplement 1-1991 (presented at the XIV International Congress of Allergology and Clinical Immunology, October 4, 1991) (abstr.)
25. Comparison of intranasal therapy with beclomethasone dipropionate (BDP) vs cromolyn sodium (CS) vs placebo (P) in children with seasonal allergic rhinitis (SAR), Orgel HA, Meltzer E, Welch M, Banov C, Georgitis J, Morris R, Pedinoff A, Storms WW, *J Allergy Clin Immunol*, 89:303, January 1992 (abstr.)
26. Efficacy of nedocromil nebulizer solution on asthma symptoms in children maintained on bronchodilators, Dockhorn RJ, Bronsky EA, Ginchansky EJ, Kraimer MJ, Pearlman DS, Ratner PH, Storms WW, *Amer Rev Respir Dis*, 145:743, April 1992
27. Azelastine nasal spray - a well controlled trial to assess its safety and efficacy in seasonal allergic rhinitis (SAR), Storms W, Grossman J, Pearlman D, Chervinsky P, Halverson P, Widlitz M, Freitag J, *Ann Allergy*, 68:108, January 1992 (abstr.)
28. Albuterol and ergometry performance, Lucia A, Fleck SJ, Wallach JM, Vint PF, Storms WW, Zimmerman SD, *Medicine & Science in Sports and Exercise*, 24(5), May 1992 (abstr.)
29. Once-a-day ebastine is effective therapy for seasonal allergic rhinitis (SAR) in children, Storms WW, Garcia JD, Tobey RE, et al, *J Allergy Clin Immunol*, 91:197, January 1993
30. Nedocromil sodium (NED) 0.5% nebulizer solution improves asthma symptoms and pulmonary function in children. Dockhorn RJ, Ginchansky EJ, Pearlman DS, Ratner PH, Storms WW, *Ann Allergy*, 72:78, January 1994.
31. Fluticasone Propionate (FP), Triamcinolone acetonide (TAA) and Flunisolide (FLN) have similar effects on the HPA axis. Storms WW, Howland WC, Sorkness CA, LaForce C, Goldstein M, Lincourt WR, Rogenes PR, Schaberg AE, Edwards L, et al, *J Allergy Clin Immunol*, 99:S318, January 1997.
32. Efficacy of Astelin (azelastine) nasal spray in patients with vasomotor rhinitis. Storms WW, Matz J, Ratner P, *J Allergy Clin Immunol* 105:S205, January 2000.

PUBLISHED ABSTRACTS (cont.)

33. The effect of fluticasone propionate nasal spray as adjunctive therapy to cefuroxime axetil on the resolution of radiographic evidence of an acute episode of sinusitis. Storms WW, Miller SD, Goldberg T, Henry D, Goode-Sellers ST, et al, *J Allergy Clin Immunol* 105:S206, January 2000.
34. Role of ocular symptoms in seasonal allergies and the effect of azelastine (Astelin[®]) nasal spray on ocular symptoms. Storms WW, LaForce C, Ratner P, *Ann Allergy Asthma Immunol* 96:188, January 2006.
35. A real world open-label multi-center single group study to evaluate patient's reactions to Mucinex. Storms WW, Kaliner M, Javid M, Efessiou C, Farrar J, *J Allergy Clin Immunol* 119(1):S229, January 2007.
36. Guaifenesin in Rhinitis, Storms WW, Farrar JR, *Current Allergy and Asthma Reports*, 9(2):101-106, March 2009 (abstr.)
37. Comparison of olopatadine 0.6% nasal spray versus fluticasone propionate 50 µg in the treatment of seasonal allergic rhinitis. Kaliner, MA, Storms, WW, Tilles, S, et al, *Allergy & Asthma Proceedings*, Vol 3, No 3, p 255-262, May/June 2009 (abstr).
38. Nasal Symptom Improvement Following Once-Daily Treatment With Beclomethasone Dipropionate Nasal Aerosol (80 µG Or 160 µG) In Children With Seasonal Allergic Rhinitis. W.W. Storms, N.A. Nayak, L. Kelley, Y. Ding, S.D. Tantry, *1. Colorado Springs, CO; 2. Normal, IL; 3. Frazer, PA*, *Annals of Allergy, Asthma & Immunology*, Vol 109, No 5, p A131, November 2012 (abstr).
39. New Intranasal Formulations for the Treatment of Allergic Rhinitis. Storms, William W., Meltzer, Eli O., Bensch, Greg W. *Allergy & Asthma Proceedings*. Vol. 35, Supplement 1, p S11-S19. May/June 2014.
40. Recommendations for the Pharmacologic Management of Allergic Rhinitis. Storms, William W., Hoyte, Flavia C. L., Meltzer, Eli O., Ostrom, Nancy K., Nelson, Harold S., Bensch, Greg W., Spangler, Dennis L., Weinstein, Steven F.; Katial, Rohit K. *Allergy & Asthma Proceedings*. Vol. 35, Supplement 1, p S20-S27. May/June 2014.
41. Improving Screening and Diagnosis of Exercise-Induced Bronchoconstriction: A Call to Action. Storms, William W., Weiler, John M., Hallstrand, Teal S., Parsons, Jonathan P., Randolph, Christopher, Silvers, William S., Bronstone, Amy. *The Journal of Allergy and Clinical Immunology: In Practice*. Vol. 2, Issue 3, p 275-280. May 2014.
